

RULES OF PARTICIPATION

“Coffee 4 Review” e-Gift Promo www.denisglass.com

1. **This special offer is valid only in the USA, Canada and the UK**, as relevant gift coffee coupons are at present only recognized by the coffee retailer in those specific markets.
2. **This special offer applies ONLY to purchases of “Shivers, Slaps and Silence” by Denis Glass, online on Amazon, and ONLY to reviews posted on the Amazon web site.** Although the electronic “Kindle” version is cheaper and thus more advantageous to you as the buyer, the paperback version of “Shivers, Slaps and Silence” is also eligible, if you prefer standard paperback books.
3. **The offer is valid ONLY once the review submitted by the participant is actually visible on Amazon.com and NOT if rejected by the bookseller or, for any reason whatsoever, not published.** Reviews are sometimes rejected by booksellers for reasons beyond our control, in line with the bookseller’s own internal fair policy on customer book reviews. Please check Amazon’s latest book review policy for complete details.
4. To allow for clear identification of each reviewer, **participants must immediately send us a copy of the review (via reviews@denisglass.com) AT THE TIME IT IS SUBMITTED to Amazon** through the bookseller’s usual online review process. Please be sure to use the same address to send us the review as that through which you would like to receive your e-Gift coupon. **The e-Gift will be sent ONLY to that same address**, once we have been able to confirm the identity of the reviewer. We apologize for any inconvenience, but this procedure is necessary in order to prevent anyone attempting to falsely represent other customers or reviewers.
5. **ONLY ONE review may be posted by any individual reader.** Too much coffee can be detrimental to human health according to certain specialists, so we will only send ONE e-Gift to any one individual.
6. **www.DenisGlass.com may choose to end this promotion at any time without advance warning of any kind, and in accordance with available supplies of coffee e-Gift coupons in our possession.** Coffee e-Gift coupons cannot be exchanged or traded for cash or any other monies or value other than that for which they were intended -- good old coffee.

Thank you for your interest in our “Coffee 4 Review” offer!
